

PUBLIC LEDGER

FIFTH YEAR.

MAYSVILLE, KY., FRIDAY, DECEMBER 4, 1896.

ONE CENT.

If you have friends visiting you, or if you are going away on a visit, please drop us a note to that effect.

Mr. Frank Gollenstein has gone to Green River, Ark.

Mr. Kennan Toup of Indianapolis is here on a visit to his parents, Mr. and Mrs. R. A. Toup.

If you have an item of news, please call up THE LEDGER, Telephone 33, and send it in.

Mr. Alex Hanna is seriously ill at Dover.

Pure Pepper and Sage at Chenoweth's Drugstore.

Fresh Bulk and Can Oysters received daily at Martin Bros.

The late Rev. Jedediah Foster was born in Adams county, O., in 1809.

Mr. Stonewall Newell, the tonorial artist, is at Flemingsburg for a few days.

Special Sale of Millinery at remarkably low prices at Mrs. L. V. Davis's all week.

Don't fail to see Henry W. Ray's stock of Xmas goods; also a complete line of fancy and toilet articles.

The Mormon Missionaries are said to have abandoned the attempt to establish Mormonism in Lewis county.

The Knights of Pythias of Ripley on Thanksgiving Day sent a turkey to the widow of every deceased member of the Order.

John Alden, a youth of 91, and Mrs. Margaret Brunner, aged 79, both of Locust Grove, married at West Union yesterday afternoon.

They have "Corn Secials" down at Ripley, where the menu comprises mush and milk, corn pone, &c. We presume the and-so-forth means "corn juice."

Miss Corinne Kenney, daughter of Matthew Kenney, a wealthy Bourbon county farmer, was married in Covington to Charles Webber, a society man of Shelbyville.

The Collins & Rudy Lumber Company is well advanced with the interior finishings of a handsome residence for Mr. Ruggles at Manchester and for the Augusta Schoolhouse.

The John Robinson Circus Company use about 100 head of horses each winter to feed to their animals, buying them in the Fifth Street Market, Cincinnati, at an average of \$3 per head.

Dr. A. Goldstein, the old and well known Optician of Louisville, is still busily engaged at the Central Hotel, and our citizens should embrace this opportunity to procure glasses adjusted to their eyes.

Manchester is going to put on metropolitan airs and organize a Fire Department. Surely the people of that pretty town ought to provide ample protection for the many handsome properties that adorn its streets.

Printers' ink, if properly applied, will invariably show good results. To be sure the advertiser must hold faith with his promises. This Hechinger & Co. are justly celebrated for. They do just what they "ad." The result is, that since they have advertised their cut price sale their store has been crowded daily with purchasers.

A postal card from Mr. Walter B. Phister of Chicago announces that he is en route to Fort Ringgold, Texas, and that he will reach this city about the 12th inst. with the remains of the late Chaplain M. C. Blaine and daughter, whose tragic deaths have already been noted by THE LEDGER.

Go to Mrs. L. V. Davis's for bargains in Trimmed Millinery. A beautiful line on exhibition.

GOVERNOR BRADLEY.

He Keeps the Newspaper Men Red-hot With Guessing.

Governor Bradley went yesterday to Cincinnati to consult with specialists in regard to his throat trouble.

It is also announced that he will go to New York and other Eastern places before returning.

There is a well grounded rumor that there is also some politics in the trip, and that after conferring with Ohio politicians, the Governor will proceed to New York, where he will hold a tete-a-tete with Platt, Quay and other leaders.

P. S.—There is little truth, probably, in the report that the Governor ate soup with a fork while lunching with George Cox and J. C. Peables at the Delicatessen.

MAYSVILLE WEATHER.

What We May Expect For the Next Twenty-four Hours.

THE LEDGER'S WEATHER SIGNALS.

White streamer—FAIR:
Blue—RAID OF SNOW:
With black above—TWILL WARMER
grow.
If black's beneath—COLDER 'twill be:
Unless black's shown—no change we'll see

The above forecasts are made for a period of thirty-six hours, ending at 5 o'clock tomorrow evening.

The Cincinnati Record, aged 11 days, made an assignment yesterday.

Superintendent of Public Instruction Davidson is preparing a blank for taking the school census. The present census he thinks too high.

The Frankfort Capital says "Ann street promises to furnish three society weddings in the near future." Ann is not selfish in the distribution of her favors; but she should have a care about marrying so much.

Miss Allie Hanna, a sweet young lady of 23, is lying at the point of death at her home in Ironton with consumption. She was raised in Dover, and is the oldest daughter of Mr. and Mrs. John R. Hanna of that place.

The newel of the staircase for the new residence of Mr. Ruggles at Manchester will not by any means be "out of sight." On the contrary, it will be very much in sight. It is being built by the Collins & Rudy Lumber Company, and its cost will approximate \$75.

The statement of the Director of the Mint shows that during November the total coinage of the Mints of the United States was \$7,459,000, of which \$5,065,000 were gold, \$2,359,000 silver and \$99,000 in minor coins. The coinage of standard silver dollars during the month was 1,914,000.

The unofficial list of members of the House in the Fifth-fifth Congress, issued by the Clerk of the House, shows that the members of the body are divided politically into 204 Republicans, 124 Silver Democrats, 13 Fusionists, 12 Populists and 3 Silverites. There is a vacancy in the First Missouri District.

Don't forget that from now until the 15th Hechinger & Co. give a 20 per cent. discount on all Gen's Furnishing Goods. This gives you an opportunity to secure high class shirts, underwear, collars, cuffs, neckwear, halfhose, etc., at less price than you would pay for ordinary goods elsewhere.

Joel Weeks, aged 61, a wealthy farmer of Brown county, was married to Mrs. Margaret Fenton, aged 50. The bride was the widow of the late Alfred Fenton and was to have been married to Jacob Segondoller, but he refused to deed over his land to her before, and the wedding was declared off. The dear old girl was evidently seeking dollars!

Wanted.

TOOK IN THE TOWN.

Charles Braxton's Horse Cuts a Nancy Hank Caper.

Yesterday about noon Ben Lynch, colored, borrowed Charles Braxton's horse and wagon with which to move his furniture and household effects from West Fourth street to a house on East Fourth street.

The wagon was backed up in front of the house on West Fourth street, when the horse got gay and started to take in the town.

Ben, in some unaccountable manner, while trying to persuade the brute to wait until after he had gotten through with him, was thrown violently to the ground and his shoulder bones sprained, and the old family horse went on.

At Fourth and Market he lost the top and rear wheels of the wagon, and with nothing save the shafts and front wheels he felt at ease to do as he pleased.

He went down Limestone to Third, down Third to Market, down Market to Second, out Second to Limestone, down Limestone to the Elevators, where he got mixed up with the coal piles and was captured.

The wagon was pretty well smashed up, and the horse lost 150 pounds of flesh.

A call has been issued for a convention at Cincinnati December 15th to urge a tariff on lumber.

Sow the Seed by an advertisement in THE LEDGER if you want to reap a Harvest of Holiday Trade.

Mr. Jesse Kirk and Miss Myra Shelton, both of Huntington Township, married at Manchester a few days ago.

Millinery—Attractive Offerings for this week in Trimmed Hats.

Mrs. L. V. DAVIS.

There never was a better time to advertise than right now—nor a better local paper than THE LEDGER.

Mrs. Robert Alexander Johnston, a half sister of Mr. Thomas M. Green of Danville, died aged 81 years.

Dr. Joseph C. Thomas, who for a short time resided in Dover, and has relatives there, died recently at Cincinnati.

I am receiving fancy New York Apples in carload lots. Stock fine, good keepers and prices reasonable. R. B. LOVELL.

The Women's Committee of the Y. M. C. A. will meet at the new rooms of the Association this afternoon at 2:30 o'clock.

Hon. A. T. Chensault, former Representative of Madison county, and Mrs. Pattie Parrish married at Richmond yesterday.

No man who is intoxicated, or whose breath is even tainted with strong drink, is allowed to take his post on a train on the Grand Trunk Railway.

Lexington and Fayette county have offered \$13,000 for the location at Lexington of one of the three Schools of Reform to be established by the state.

Rev. J. S. Sims will preach at the Methodist Episcopal Church, South, in Washington Sunday morning at 11 o'clock. Everybody welcome.

The total assessment of railroad property in Kentucky for 1896 is \$51,972,615, a decrease of \$200,970 from last year. The total mileage is 3,046 and a fraction, an increase of only three miles.

Judge Barr ordered a decree of sale of the Kentucky and Indiana Bridge and associated properties, giving priority to the claim of first mortgage bondholders. The whole is valued at \$3,000,000.

Gold Watches of all sizes and kinds, all warranted to give entire satisfaction. My stock of Watches is the largest in the city. I have now reduced the prices on them until they are the cheapest also. Don't want to carry them over Christmas.

P. J. MURPHY.

The anti-vaccinations of Gloucester, England, are blamed for having caused 441 deaths. In the year 1887 the board of guardians voted by a majority of two to give up vaccination. Nine years later 2,036 persons were attacked by smallpox, and of these 217 per cent. died.

The estate of John Hauck of Cincinnati amounts to \$1,334,391.43. He had stock in the Hauck Brewing Company to the amount of \$507,000; invested in the United States 4 per cent. bonds \$85,000; Consolidated Street Railway Company stock \$59,500, and Little Miami Railroad, \$36,000.

David J. Hauss, the Cincinnati electrician, sued Joseph Renner, saloonist, to recover \$693.75 for an electric lighting plant. The defendant claimed that it was a failure and caused his place on the opening night to be in darkness, so that candles and other means of lighting had to be used. And the jury sided with Mr. Renner.

THE LEDGER a few days ago announced that Mr. and Mrs. W. B. Carpenter of Cincinnati would on Monday next observe the thirtieth anniversary of their marriage. On account of the tragic death of Chaplain M. C. Blaine of the U. S. Army, who was a brother of Mr. John E. Blaine, one of Mr. Carpenter's business associates, the reception has been postponed indefinitely.

James Wilson, an employee of the Maysville Cotton Mills, has been missing from his home a day or so and it is thought he has committed suicide. He was last seen at the C. and O. Depot Wednesday night and was then intoxicated. His hat was found on a boat at Gable Bros. coal landing yesterday morning and this strengthens the belief that he committed suicide by drowning. He was 25 years of age and was unmarried.

The horses attached to the Mt. Carmel Mail-wagon became unruly at noon yesterday and started on a tear down the street. In dashing across the car track at the corner of Third and Market the wagon upset and for a few moments things looked rather serious. After stopping the horses and getting the vehicle on its wheels, it was found that the axle had been broken. Mr. Paul Glascock, the driver, at once secured another wagon and made the regular trip to Mt. Carmel.

TIME

is what I want to talk to you about now. Very few things are so easy to lose and so hard to regain as time. Is your watch time right? Does it lose time? Perhaps it gains? Either way will keep you guessing. I repair watches so you don't have to do any guessing.

There are two reasons why I pay so much attention to watch repairing. I make money out of it of course—that's what I'm in business for—but best thing about it is that it brings good people into the store, and as I do watch work right, and at the right price, it is a convincing argument that the rest of my business is right too.

Watch Repairing, however, is only a side issue. I sell Watches, Diamonds, Jewelry, Clocks and a great variety of beautiful and useful things for gifts of all kinds.

The law in Kentucky that no person can be convicted of crime on the testimony of an accomplice only, does not, according to a recent decision of the Court of
